Waiting for everyone

0 participant(s) still setting their location

A map of the Los Angeles area, showing various neighborhoods and landmarks. The map is overlaid with a grid of "For development purposes only" text. Several locations are marked with colored dots: a green dot for "Midpoint", a red dot for "Participants", an orange dot for "Venues", and a blue dot for "Selected". A legend in the bottom left corner identifies these markers. The map also shows a "Waiting for everyone" status and a "0 participant(s) still setting their location" message.
